VITAL NOTE

A current issue of a famous medical journal reports on a recent government-contracted study. This study, conducted over a 24 year period on 5,000 underweight and overweight men and women, proves that being underweight is as injurious to health and longevity as being overweight.

How to make others secretly DO YOUR BIDDING with the astonishing power of AUTOMATIC MIND COMMAND!

Here's how to get started in just 3 minutes . . .

Dear Friend

New power is about to leap into your life — an astonishing way to control the thoughts and actions of others without their knowing it — no matter how much they may *not* want to follow your instructions, they carry them out to a T every time!

With "Automatic Mind-Command" you'll be running the show. Make a wish, turn on The Power and watch those around you drop everything and do what they're told.

And nobody will even have the faintest idea that you're behind it all. That's the beauty of "Automatic Mind-Command" — you are the only one who knows what's going on — you alone decide when things should start, stop, change around.

CONTROL YOUR FRIENDS OR STRANGERS!

You can use it to control your friends or strangers, one at a time or in large numbers, at any time and ANY WAY YOU LIKE.

For example: You go into a bank for a loan. The credit man smiles but says "Sorry. You don't qualify for a loan right now. However, if there's anything else I can do for you, I'd be glad to . . ." Then in a flash, his tone changes when you hit loose your 'Automatic Mind-Command.' He continues, "In fact we'd be glad to give you $1,000 more than you asked for. And any time you want more, just see me personally. Thank you so much for coming by."

Impossible? You'll be doing things like that every day without even thinking about it. As soon as you need something done, it's done. The people who do these things for you will remember what they did, but not why!

FUN POWER—TOO!

You can have a lot of fun with this power, too. Look how Evelyn C used it at work . . . One day, while serving papers, her boss angrily ushered her into her office to make so much noise and ecolded her in front of everybody. Evelyn said nothing, but smiled to herself—for she had just turned on the 'Automatic Mind-Command.' Suddenly the boss apologized for being a scoundrel. Please . . . I'm sorry, he said in front of everybody. I'd like to make it up to you." And he told her what a wonderful person she was! When Evelyn turned the power off, the boss just stood there with an open mouth wondering what made him say all those things.

Think what this power can mean in your life. You need money . . . and it's there! You want some affection . . . you'll be smothered! You want peace and quiet . . . the world stands still!

NO MORE SECRETS WILL BE KEPT FROM YOU!

People who think they can hold back the facts will meet their master in you! You just fire a little 'Automatic Mind-Command' at them and they'll sing like meadowlarks. Nora J was at her wits end when she tried to find the money she'd put aside to pay the rent — it was gone. A frantic search through the house turned up nothing. There was only one possibility left — she asked Billy. A look of surprise crossed his face. No—he hadn't seen any money. But Nora didn't believe him, and started using 'Automatic Mind-Command' to find out if he was telling the truth. Suddenly Billy reached into his pocket and took out a roll of money. After giving her the money he acted as if nothing had happened!

Think how many secrets must be hidden all around you! Things your spouse won't tell . . . your boss keeps quiet about . . . ALL BROUGHT INTO THE OPEN JUST FOR YOU! They'll tell you all their secrets, but they won't know why.

Hold on now, because I haven't told you yet about the best part of "Automatic Mind-Command."

You may have to bolt your door to keep people from overwhelming you with love, gifts, favors, rewards! Perfect strangers will be walking up to you and asking, "How are you? Can I do anything for you?" They will never suspect that 'Automatic Mind-Command' is impelling them to help you, please you . . . and automatically want to help you.

INSTANTLY YOUR LIFE IS CHANGED!

At first, I couldn't believe it. And yet I know this to be true from my own personal experience . . . time after time. For example . . .

A STRANGER HANDS HIM $500—Harry G., a low paid factory worker, wanted to start a business of his own. All he needed was cash to get started — but no one would give him the money. Finally someone told him how to use 'Automatic Mind-Command' and Harry laughingly tried it. A short time later a perfect stranger handed him $500—saying he'd heard about Harry's plan, and was eager to help him get started.

Unusual? Not at all . . . things happen every day with Automatic Mind-Command.

RECEIVES NEEDED CASH QUICKLY!—Mrs Thelma J. reports: "I needed money badly. Her husband hadn't worked in months, and their savings were running out. Then she discovered 'Automatic Mind-Command'—and turned on the power immediately! The next morning she received a package containing several hundred dollars from friends and well-wishers she never knew existed.

In all history, few indeed are the ones who have recognized Automatic Mind-Command. The rest, who do not use it, pay the penalty in suffering, wishing, hoping, dreaming . . . Now I say to you: Wish no more!

HOW TO GET STARTED IN JUST 3 MINUTES!

Minute #1—Fill out the No-Risk Coupon and mail it to us.

Minute #2—When you receive a package in the mail from us, open it.

Minute #3—Lift the front cover and let the secret feed itself to you! Mind automatically.

After that, sit back, relax—and see how this power can work for you. It's as simple as that! It won't cost you one penny unless it works!

IN THAT INSTANT, YOU WILL ALREADY BE ABLE TO USE "AUTOMATIC MIND-COMMAND" FOR THE FIRST TIME . . . for money, love healing, protection, and much more!

Imagine the thrill—after a lifetime of "scrimping" and "penny-pinching"—to see a tidal wave of riches rolling into your life from every direction—pay raises, bonuses, gifts, legacies . . . a rising tide of good fortune!

MORE AMAZING CASE HISTORIES!

And it's all just minutes away.

Larry S wanted to see his girlfriend—although he had no idea where she was—and no way of contacting her by letter or phone. From far away he began using "Automatic Mind-Command!" In that instant, his girlfriend knew what she had to do. She dropped what she was doing, excused herself and hurried to visit him. Arriving in record time—she hugged and kissed him, explaining that "something" told her he wanted and needed her, and what could she do for him.

Now here's a most fantastic use of "Automatic Mind-Command"—one I'm sure you'll agree proves that here is a power which staggers the imagination!

For example, cases of health-symptoms relieved with "Automatic Mind-Command!" John C. reports that his hearing now seems normal again! Warren W's blurred eyesight cleared sharpened, and now seems normal. Lydia E. says her arthritis symptoms of soreness and stiffness in the fingers were relieved when nothing else seemed to help, and Mrs. M. S. was surprised when her leg pain disappeared. Sheila S. who complained of "ulcerative colitis [illegible] cramps and diarrhea, obtained fast relief . . . And others report relief from complaints of high blood pressure, heart symptoms, "migraine" headaches, weakness, dizziness, fatigue and more.

It's simple, easy, and automatic to apply!

YOURS TO PROVE—AT OUR RISK!

So you see, life can be beautiful with "Automatic Mind-Command." To discover its amazing power let it put you on the road to a NEW LIFE . . . filled to the brim with riches, love, pleasure and all the wonderful luxuries of the world . . . and more! You owe it to yourself to try it. Why not send in the No-Risk Coupon—TODAY!

Sincerely yours,

Scott Reed
